DOES YOUR TRASH RECEPTACLE COMPLY?

Polycarts

1. A 2-latch, locking reinforced lid.
2. The street address stenciled or clearly written on the side of the polycart in white, 1-inch-high letters and numbers.

Dumpsters

1. For all dumpsters less than or equal to 6-yard capacity, a fully enclosed metal container with an attached lockable metal lid.
2. The address of each entity using the dumpster must be clearly written in 2-inch high letters and numbers and permanently or temporarily affixed.
3. Placed on a concrete pad or paved refuse pad. Temporary construction dumpsters are exempt.

WHY DID WE STRENGTHEN THE ORDINANCE?

The goal of Telluride's Trash Ordinance is to ensure that local wildlife do not become habituated to human food sources.

When they do, a dangerous situation can develop, for them and for us. We do not want to kill a habituated bear!

THE MARSHALS DEPARTMENT WILL ISSUE TICKETS FOR NON-COMPLIANCE
