

# BE IN THE KNOW

## Help Prevent Wildfires

### CAMPFIRE SAFETY:

**DO NOT** build a campfire if rules prohibit them.

**DO NOT** build a campfire in hazardous, windy or dry conditions.

**USE FIRE RINGS** or fire pits and keep fire small and manageable.

**NEVER LEAVE A FIRE UNATTENDED!** Extinguish with water.  
**REMEMBER...** if it's too hot to touch, *it's too hot to leave!*

Most wildfires are human caused.

**DON'T BE THAT PERSON!**

## BE SMART. BE SAFE.

 **Do not park** on dry grass or brush.

 **Use ashtrays** when smoking inside or outside.

 **Never smoke** on trails.

 **Keep a shovel & fire extinguisher** handy if using mechanical equipment.

**SIGN UP for CodeRed to receive Emergency Notifications**
