			1.1%								
								7,111,772	6,804,258	6,547,270	

Note: The November 2021 amount includes payments resulting from delinquencies in prior months. While it is not uncommon for delinquent payments to be reconciled in future months, the total amount of delinquent payments for November was noteworthy for the purpose of future comparison. Please note that this report is not reflective of the Town's financial statements which are prepared using the modified accrual basis of accounting.
